SPRAWOZDANIE Z BADAŃ NR 26-01215-01

Pure Apigenin

Obiekt badania :

| Dane dostarczone przez Klienta | |
|--------------------------------|--|
| Zleceniodawca: | Opis próbki: Pure Apigenin Firma Labs212 Sp. z o.o., seria 14781, data ważności: 06.2028 godzina pobrania próbki: 20:50, dzień pobrania: 2.06.2026. |

| Informacje ZBBŻ | |
|---|--------------------------------------|
| Nr zlecenia badań: 26-01215 | Data przyjęcia próbki: 05.06.2026 r. |
| Nr próbki: 26-01215-01 | Stan próbki: bez zastrzeżeń |
| Data zakończenia badań: 10.06.2026 r. | Data sprawozdania: 10.06.2026 r. |
| Okres przechowywania próbek po wydaniu sprawozdania: 14 dni | |
| Zakres badań: | |
| 1. Tabela 1d. GC-MS/MS. PN-EN 15662: 2018-06. | |
| 2. Tabela 2d. LC-MS/MS. PN-EN 15662: 2018-06. | |

WYNIKI

W otrzymanej do badań próbce nie znaleziono pozostałości ś.o.r w stężeniach wyższych niż ich granice oznaczalności (GO) w zakresie wskazanym w załączonych tabelach. GO jest jednocześnie dolną granicą akredytowanego zakresu.

Informacje dodatkowe:

- Próbkę pobrał i dostarczył Klient. Wyniki badań odnoszą się wyłącznie do otrzymanej próbki.
- ZBBŻ nie ponosi odpowiedzialności za wynik w przypadku niewłaściwego pobrania i transportu próbki.
- Za dane dostarczone przez Klienta ZBBŻ nie ponosi odpowiedzialności.
- Klientowi przysługuje prawo do skargi w terminie 14 dni od daty wystawienia sprawozdania.
- ZBBŻ przestrzega zasad poufności, ochrony danych osobowych i praw Klienta.

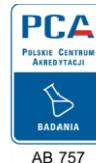

Załączniki: brak
